Belfast's Space NK

Also in Ireland I popped into [Space NK](#), the beauty-junkie nirvana founded by Belfast-born [Nicky Kinnaid](#), who says women in her hometown benefit from the region's [soft water](#): "It's one of the most powerful anti-aging beauty elixirs ever." Since the queen beauty bee is now hopping between 60 or so worldwide [stores](#), here's what she won't travel without (deets after the jump).

[Eve Lom Cleanser](#): "Eye-makeup remover, cleanser, toner and daily exfoliant in one pot--makes perfect packing sense."

[Eve Lom Rescue Mask](#): "The blend of kaolin, almond, chamomile and camphor acts as the ideal pick-me-up for jet-lagged skin."

[Bakel Serum 1 & 2](#): "Provide the ideal anti-oxidant protection from free radical damage while traveling. The first fights aging with hyaluronic acid, the second deeply and gently hydrates even the most sensitive facial skin and eye areas."

[Diptyque l'ombre dans l'eau solid perfume compact](#): "Never leave home without this refreshing citrus perfume tinged with blackcurrant leaves."
